

100 for \$100 Campaign

This campaign is seeking 100 people across Canada to donate \$100 each to help us reach our 2011 NET Cancer research goal. Will you be one of our Special Sponsors?

Mission Statement

Building towards a cure for NeuroEndocrine Tumours and Cancers through Research, Education, Awareness and Support.

We are writing to you today to ask you to be one of our special sponsors in our **100 for \$100 Campaign** in support of the 2011 NeuroEndocrine Cancer Research Project. CNETS Canada has been successful in raising almost \$50,000.00 of the \$60,000.00 we need for the Research project and our goal is to raise the last \$10,000.00 to allow us to partner once again with the Cancer Research Society ("CRS") in 2011.

The first time we raised \$60,000.00 was in 2010 when we partnered with the CRS. They matched our funds with another \$60,000.00. The \$120,000 CNETS Canada-CRS NeuroEndocrine scientific competition was won by two researchers from Sick Children's Hospital in Toronto and a two year NeuroEndocrine Cancer research project began.

We are confident that with your help we will achieve our 2011 research goal of \$60,000.00. We are asking for your support with a donation of \$100.00 by sending a cheque payable to CNETS Canada to the address on the letterhead or by donating online at www.cnetscanada.org. Online donations generate immediate tax receipts and if donating by cheque a tax receipt will be mailed to you.

You can follow our progress by checking the special mercury thermometer on our website as \$100.00 donations are received. We will be sure to communicate with you as soon as we reach our goal.

Your support is deeply appreciated.

Best regards

A handwritten signature in black ink that reads "Maureen Coleman".
