## Welcome

GivingPages are an effective way to encourage donations to the charities you support!

GivingPages are a great way to fundraise or collect donations in lieu of gifts for a wedding, anniversary, birthday, newborn, or any other occasion! Your GivingPage will include a description of your page, and a list of your preferred charities. You can also choose to show a fundraising goal, or a list of all donations made through your page. Other people can visit the website, and search for your page using your name.

## Create a GivingPage

You can create a GivingPage to encourage friends and family to donate to your favourite charities.

### Jackie's Walk for NeuroEndocrine Cancer

I am asking for your support of my upcoming participation in the CNETS Canada Nationwide NET Cancer walk to raise funds for NeuroEndocrine Cancer Research.

DONATE NOW

Many of my friends and family, along with my dogs Misty and Chico, will join me on this 10K walk on Sunday September 25th. Being a NET Cancer patient, this cause is close to my heart and continued research into this relatively unknown cancer is critical.

My personal goal is \$3,000, which will go towards the overall CNETS Canada nationwide goal of \$60,000.

Thank you for your support!
